

We're quickly approaching the winter season in the north woods and we are getting our house in order. Literally. The roof leak in the barn is fixed and the doors will be fixed soon. The groomers have all been serviced (thank you Bill Beyer, Tanner Hiller, Tom & Wayne Renz, Dave Riegler, Paul Juske and Kyle Dibelius from Johnny's Bar for feeding the crew.)

On a more personal note, I am new to this board of directors and I want to let people know what a great group of people we have in our club. They are all very hardworking people who have the same goals in mind. I am very impressed with the knowledge and talent these people bring to the club. So kudos to everyone who makes this club better.
