- The board position for Dave McNutt is called Trail Administrator and the description is: trail administrator shall be responsible to ensure proper submission to the county/state re: trail grooming and non-grooming hours and make sure we get proper funding. Motion to accept and adopt the position and description was made by Darrell, 2<sup>nd</sup> by Bill Gust. Motion carries.
- MS snowmobile tour – they are asking for our club to host a luncheon on Friday, January 23, 2015 for approximately 150 riders that will be coming through our area. Decision was made to put in the newsletter an appeal to any local businesses that would be interested could contact Jamie from the National MS Society Wisconsin Chapter.

**New Business:**

- The newsletter will be going out shortly. Carol asked if anyone would like to have anything they felt to be pertinent put in the newsletter. Paul would like the Vintage Sled Show held on January 17, 2015 @ 10:00 be added to the newsletter. If anyone has questions regarding this should contact Paul.
