New Business:

- Terry and Eunice are the new owners of Beaver Lodge. He is buying a UTV and would like us to buy a drag so he can drag areas of the trails that a groomer is too heavy to get through earlier in the season due to swamp conditions. The cost is approximately \$5700.00. A committee was formed to deal with swampy trails. Tanner, Paul, Wayne, Jim H., Tom Renz, Darrell, Luke and Terry will be on this committee. They will have their first meeting this Saturday 11-15-14 @ 8:00 a.m.
- North American will replace doors
- Paul Juske has been looking into insurance bids for the club. Paul will send Darrell a copy of the bid he got. Darrell is also getting another bid from an insurance company up here.
- Roof is fixed
- We will become non voting members of the Mercer Chamber of Commerce. Paul and Drew are taking care of this.
- Tanner motions to add Forestry Liason as a voting board position. Wayne seconds. Motion carries. This will be brought up again at next general meeting and voted on at that time.
- Drew talked to the owner at the Cranberry Inn about a gate that was damaged. They said they will meet with us in Spring to fix the gate. The club decided to fix it now before the ground freezes. Tanner will call Terra tomorrow.

- Wayne suggested that we pick a date for the Spring Banquet so it can be printed on the 50/50 raffle tickets. Everyone agreed that March 5, 2015 would be the date. Darrell said the place where the drawing is held must be printed on the ticket as well. Tanner motioned that the banquet be held at the Gateway this season. Terry seconded. Motion carries.
- Wayne is heading the Winter Blast committee. Call Wayne to help.

Motion to adjourn meeting at 8:40 pm by Wayne, 2nd by Terry.
