

Hi folks! The season is starting to kick in and we're all anxious to ride! Here is the most updated trail report as of this writing:

Trail report for Wednesday, December 10th

Trail 17 is groomed and in good condition. Trail 12 is open but not groomed. Trail 12a & b is open and groomed up to the swamps. 51east is finally frozen over and rideable, but not groomed yet. 182 is open but not groomed. 10 & 10a is in good condition, but only groomed to the swamps. 19 & 20 is in good condition. 10E and 8A is groomed but still wet.

Because of the wet condition please ride with extreme caution. Also please keep an eye out for the groomers.

In addition keep in mind that we have a lot of river systems so please do not attempt to ride across any lake without it being marked for safety.

This came directly off the **mercerc.com** web page. Please go there for updates. Also, you can visit our web page at **mercersnogoers.com** and we're on **Facebook** as well.

Again, if the trails aren't groomed (i.e. swamps) please use extreme caution!

The big fundraising event of the year is fast approaching – The Winter Blast! We need help so if anyone can lend a hand that day or the day before (set up, clean up, serving food, bartending, helping with raffles, manning the tables at the front door, ANYTHING! ☺) please call Wayne Riebe @ the Gateway Lodge 715-476-7878 and let him know what you can do to help. Many hands make less work. And boy oh boy is there the work.

Also, the Vintage Sled Show will be held the same day as the Winter Blast – Jan. 17th 10:00 a.m. at the Groomer Barn. Please call Paul Juske @ 815-353-8541 if you have questions or are interested in showing off your vintage ride.
