

September 2016 Newsletter

So begins another season! Put your sandals away and pull out your winter boots and get ready to RIDE! The forecast I read for 2016-17 calls for well below (frigid) temps and above average snowfall after the cold blast. This is the perfect recipe for excellent trails! Freeze the swamps, then let it snow.

This year we're going to add some Club rides. One Tuesday a month in Jan, Feb and Mar and one Sunday a month. See the Meeting & Events schedule below. The starting place for the Club rides will be announced on our website mercersnogoers.com and on Facebook. Come and ride with us.

This year we are going to combine the board and general meetings. It's a great way to get everyone together on one night and everyone will feel more connected.

2016-17 MEETING & EVENTS SCHEDULE

Wed Oct 5	Meeting 6:30 PM Camp 1	Sat Feb 11	Breakfast Gateway Lodge 7:30 am – 11:00 am

This events calendar will be updated if necessary and reposted in all of the following newsletters.

I've heard some feedback on the electronic newsletter and some people are saying they never got the email with the newsletter. Check you spam folder on your email account as it is possible your computer picked it up and tossed it in your cyber trash. The emails will be coming from me with the name snogoerssecretary@yahoo.com in the From: box.

Newsletters and minutes will also be available to view on our website – mercersnogoers.com under the tab at the top that says Club info.

I am looking forward to a snowy fun season this year. Hope to see you on the trails.

Carol Morden, Secretary
Mercer Area Snogoers
