

December 2016 Newsletter

Happy December! We have snow on the ground... granted, not enough to groom, but it's a start. Now let's hope we get some really cold weather to freeze the swamps. Once the swamps are frozen, we can drive a groomer over it without it sinking.

There are a few changes to the schedule so toss the old one and keep this one. The first change is The Dec 7th meeting will be at Donner's Bay, not Johnnys. Also, the Dear Lodge cook out will be on Jan 28th, not the 21st. Also, check out our website. It's very informative with regards to upcoming events, trail reports, etc. mercersnogoers.com

This events calendar will be updated if necessary and reposted in all of the following newsletters.

I've updated my email from yahoo to gmail. My new email address is snogoerssecretary@gmail.com. After yahoo email was compromised, I thought I'd switch to gmail. Although I believe they're all vulnerable to some degree.

Also, if anyone would be interested in spearheading the Vintage Sled Show on the day of the Winter Blast, please contact Wayne Riebe @ Gateway Lodge 715-476-7878. If no one is willing to take this project on, there will be no Vintage Show.

Newsletters and minutes will continue to be available to view on our website – mercersnogoers.com under the tab at the top that says Club info.

Let it snow.
