**Treasurer Report:**

- Balance is \$29,685.09 in general account after transferring \$12,750.00 from the merchant account to the general account. The merchant account balance is \$375.00.
- We have the 2<sup>nd</sup> half of our supplement in and we received a total of \$79,534.87. We are waiting to hear about the status of our 501c6 before the money is deposited.
- The status of the 501c6 could take another 90 days.
- **David McNutt motions to pay the current bills. Kyle seconds. Motion carries.**

**Trail Boss:**

- The sensor on the Alltrack was lost and the tachometer wasn't working for 2 weeks. Brian ordered a new one and will put in on when it arrives.
- Still signing and brushing, but not grooming due to the weather.

**Trail Administrator:**

- Nothing new re: SNARS
- Trail counters will be here tomorrow and David will get them up over the weekend. The town contributed 25% of the cost and the ATV club and the Chamber of Commerce will most likely help with the cost as well.

**PR:**

- Eric Behnke finished the posters with the events on them and divvied them up among the board members to distribute at different businesses.
- We will put ads up on our website to generate revenue

**Sign Master:** Jeff Powers has ordered all the signage that he needs and it will be in next week.
