The Dusty Loons ATV Club was at today's meeting to talk about trail maintenance and repair. The Arrowhead bridge needs to be kept clean and shoveled off. The trail south of 310 Rd is sinking and is down about 4" and needs about 15 loads of gravel.

Hank Joustra suggested that our club and the ATV club should go to the town board and ask for funds. Six doesn't have a cost for the gravel at this point. First steps will be to get costs then go to the town board. Then both clubs can make a push for volunteers. Hank will talk to the town board to get on the next agenda. It will most likely be the May 30th town meeting.

Six also asked for help with a fundraiser for one of his employees who was injured. Kyle said if we start making donations for this type of thing, it will open doors to everyone asking for money. Six suggested we come to the fundraiser that they are having at the Lazy Ace. We will put the event on our social media.

Board Reports:

- Brian has three quotes for drags. We need to decide by next meeting. We need to order by June for a September/October delivery. Brian recommends the first quote from Arrowhead for \$14,340. We need this approved by the general membership. We will have a meeting at the barn one week after our May 28th board meeting for approval of the new drag.
- Chad Konecki from the Harvest Group will get addressees for the three free memberships we promised him in return for their help during the Winter Blast last year.
- Bill Gust, membership chair, says we have 47 renewals so far.
- PayPal account will be put on next meeting's agenda.
- Discussion of drags and decision will also be on next meeting's agenda.

Motion to adjourn meeting by Teri Dibelius. Tanner Hiller seconds. Meeting adjourned at 9:40 a.m
